

# MESSAGE FROM OUR J&F MOTORS MANAGEMENT ON COVID-19

First & Foremost Guests and Employees  
Safety.

## We Remain Open for Business & Offer NO CONTACT SERVICE

As the effect of Coronavirus (COVID-19) continues to evolve in the communities that we serve, J&F Motors Ltd. is firmly committed to the health and safety of our guests and Employees.

J&F Motors Ltd. is taking extra precautions and making additional efforts to ensure your safety by ensuring the cleanliness of our facilities and vehicles.

Knowing that your vehicle is essential to your daily life, we're open for business!

Below are some of the ways we are providing a safe and healthy environment for you and your family:

Offering a no contact service pickup and drop-off option.

Vehicle Pick up & Drop off for elderly & immune compromised customers. (As schedule permits) Please schedule 24hrs in advanced for this service.

All vehicles are sanitized before and after each test drive with particular attention to steering wheels, controls, and door handles.

Our Technicians wear a new pair of disposable gloves when they service your vehicle.

Our Staff will use a new pair of disposable gloves each time a vehicle is moved and cleaned to prepare for vehicle pick up.

We are keeping a close eye on restrooms to make sure we are fully stocked with plenty of soap and paper towels. We also have a hand sanitizing station in our lobby.

We continue to monitor the evolving situation and we are committed to our guests, employees and our country in meeting this challenge.

- Sincerely,

Paul Collora, Greg Fermo & Mike Lillis
